

PBR PRESENTATION GUIDE

Team1

1) INTRODUCTION

1 minute

Thank you everyone for coming tonight! My name is _____ from _____. But you're not here to see me. You're here to see the flip chart. This flip chart is the star of the show! And if you can play a short video and flip a flip chart, you can make a lot of money in this business! (Everyone with a red Visa debit card take them out and show to the guests. SMILE!)

*I was introduced to Agel by my friend _____ and as soon as I reviewed the **FACTS**, it made sense to me. And now we want to introduce Agel to you and it's either going to make sense to you or it won't. All we ask is that you listen closely and give it a **FAIR** review. We have a lot of **fun** with Agel but we are also **very serious** about the financial opportunity. Let's play the video!*

Then go to the next most interested guest and repeat the process until somebody says yes. As soon as somebody starts filling out their enrollment form, shake their hand and announce loudly to everyone that the top position is now taken and that they should all fill out their enrollment form so that they don't miss out on the next position.
